"THE MOMS AND DADS OF FOSTER YOUTH"

WELCOME AND MISSION OVERVIEW

Dear Friends,

For over 30 years, LA, Inc. has been the “Moms and Dads of Foster Youth,” standing in the gap for young people who too often lose the support of family during the most critical years of their lives. We provide academic support, access to social services, and essential career, financial, and life skills that empower foster youth to thrive as independent, successful adults.

Thank you for considering becoming a partner. With your investment, we can continue breaking the cycle of poverty, incarceration, and homelessness and instead build brighter futures for the youth we serve.

With gratitude,
Pamela R. Clay
Executive Director

Our Mission

LA, Inc. utilizes innovative technology, social networking and media to reduce unemployment, homelessness and incarceration for at-risk youth targeting foster youth.

Virtual Assistant Living & Educational (V.A.L.E.™) programs are how we offer a stable, ongoing support system that youth can rely for a better quality of life.

A 33 YEAR LEGACY – RECOGNIZED BOTH LOCALLY AND NATIONALLY

For the past four consecutive years, Citizens Business Bank has invested \$10,000 annually to support Living Advantage’s financial literacy training programs, demonstrating a strong and consistent commitment to youth empowerment.
